Our Coffee

We carefully source our coffee from farms with a focus on quality, sustainability, and work ethics in mind, roasted locally at our HQ situated just outside the Chester city centre. We regularly source Rainforest Alliance certified and carbon neutral coffees. Our coffee bags are recyclable and from a supplier that offset their carbon emissions.

Our coffee is served not only in our own shops, but at restaurants, hotels, and bars across the country – we aspire to work with likeminded businesses to share our knowledge of coffee and company values. If you think our coffee would be a good fit for your own establishment, then please get in touch, or visit our website for more information.

Water

We charge £1 for a large carafe of filtered still or sparkling water. 80% of the proceeds go towards Project Waterfall, a charity focused on bringing clean water to coffee-growing communities.
